

Parmer Medical Center

‘Proud To Be Caring For Our Local And Area Communities’

Parmer Medical Center (PMC) and Friona Rural Health Clinic (FRHC) are reaching out to all area residents to offer personalized service and high quality care. Parmer Medical Center is located in a state of the art facility with technically advanced equipment, but the hospital’s team of care providers is the true secret behind PMC’s success.

“Our team’s expertise, dedication and commitment to the wellness of our patients allow us to carry out our goal of serving the health care needs of the residents in the Parmer County region with compassionate and effective care.”

Friona Rural Health Clinic is a vital component of Parmer Medical Center. The clinic is attached to the hospital facility and allows patients easy access between the hospital and clinic.

The Physicians, Nurse Practitioners and Physician Assistants and support team at Friona Rural Health Clinic and Parmer Medical Center are eager to serve your entire family with compassionate, personalized care. The providers include Dr. Felipe Jubay, Dr. Jack Smith III and Dr. David Pearson. The Physician Assistants and Nurse Practitioners are Nathaniel Covarrubias, PA-C, Tammy Tyler, FNP-C, Rene McCutchen, FNP-C and Tyler Copeland, FNP-C.

The team of providers at Friona Rural Health Clinic specializes in caring for your entire family, and they are currently accepting new patients. Same day appointments are available and walk-ins are welcome for acutely ill patients. Clinic hours are 8:30 - 5:00 Monday through Friday.

If an emergency medical condition arises, the Emergency Department is available 24 hours a day.

PMC also specializes in rehabilitative care. Whether for outpatient or inpatient care, PMC’s rehabilitation

department delivers exceptional service and high quality care you need to regain your strength and independence. If you or a loved one has a diagnosis of Parkinson’s Disease, call and ask about our LSVT programs.

In addition to an Occupational Therapist, a Speech Therapist and multiple licensed Physical Therapy Assistants, PMC’s team also includes two Doctorate level Physical Therapists. The rehabilitative team offers more than 69 years of rehabilitative care experience and they are equipped to serve you with state-of-the-art therapy equipment, including an aquatic therapy pool and outstanding patient amenities.

Whether on an inpatient or outpatient basis, if recovering from joint replacement, a surgical procedure, recovering from an accident, stroke, illness or heart attack, the caring and highly experienced rehabilitation team at PMC is eager to lead you through recovery with compassionate, high quality care.

Another very special service offered at PMC is Swing Bed. This is a program designed by Medicare which allows PMC to assist patients who are in a transition phase of illness or recovery and require more intensive therapy or treatment than can be offered on an outpatient basis. To ensure all of our Swing Bed patients reach their maximum rehabilitation potential, their care is based upon their individual needs.

So, whether your need is a routine check- up, treatment for illness or injury, specialty services, Swing Bed or rehabilitative care, the staff at Parmer Medical Center and Friona Rural Health Clinic are eager to assist you in meeting your health care needs.

Parmer Medical Center and Friona Rural Health Clinic are proud to be caring for our communities.
